I declare, I confirm, I certify and I sign that I received substantial, important, line by line peer review with several and substantial comments, important remarks and hints from, at least, 3 Reviewers and the Assistant Editor for my paper: «Tools for assessing the level of adaptivity of the financial architecture of economy to financial globalization conditions based on the capacity of banks, non-banking financial institutions and stock market» with Authors: Igor Chugunov, Larisa Sidelnikova, Olga Sosnovska, Maksym Zhytar, Alla Navolokina.

I would like to thank all the reviewers for their thoughtful comments and efforts towards improving our manuscript. We revised the manuscript with special attention to the comments that we received from, at least, 3 reviewers that were experts, specialists in the area of my paper. I declare, confirm, certify and sign that WSEAS has checked my paper for possible plagiarism by Turnitin and my paper was found without plagiarism or self-plagiarism by Turnitin. I also declare, confirm, certify and sign that also that no Associate-Editor, no Editor-in-Chief, no member of the WSEAS Secretariat forced me in this Journal to add references (citations) to any previous publications of the journal.

I also declare, confirm, certify and sign that I have made all the changes, modifications, additions, studies, corrections asked by the reviewers and I have fully complied with their instructions. I also understand that before the publication the 3 (or more than 3) reviewers will check my paper to see if all the changes, modifications, additions, studies, corrections etc have been done and I authorize the WSEAS to publish my paper or to reject my paper even in the 2nd round of peer review or to continue with an additional round of peer review.

For us, this was the third time that we sent a paper to your institution. We have the best of the impressions for the review process in the journal: WSEAS transactions on Business and Economics. The review process was a real peer review process. We would like to express our heartfelt thanks and great respect for your remarks. Three reviewers showed us aspects to improve our paper. The criticism regarding the methodological part (which was made more descriptive) will be taken into account account in our future studies.

Thank you for your cooperation.
