Authors' testimonial

Thank you for accepting our manuscript "A counterfactual impact evaluation of EU state aid in Greece" for publication. We believe that our work provides novel evidence that will support policymakers and practitioners to understand, identify, and assess EU state aid policy and that it constitutes a perfect fit with the aims of WSEAS Transactions on Business and Economics. Special thanks to the Editor-in-Chief and the Secretariat for their support and efficiency during the process and to the three anonymous reviewers for their valuable and well-intentioned comments. They helped very much to produce a much better version of our paper.
