It was our first time submitting a paper to the journal WSEAS Transactions on Circuits and Systems. We are impressed by the journal's professionalism and efficiency in reviewing and publishing scientific articles. The review process was a genuine peer review. The feedback from 3 reviewers was respectful and helpful. We want to express our sincere thanks and respect for the reviewers' comments. In fact, the three reviewers identified critical areas for improvement in our paper. For these reasons, I highly recommend WSEAS Transactions on Circuits and Systems to all applied scientists interested in publishing their work.

Dear colleagues, I appreciate your cooperation.
