I declare, I confirm, I certify and I sign that I received substantial, important, line by line peer review with several and substantial comments, important remarks and hints from, at least, 3 Reviewers and the Assistant Editor for my paper: “ **Solving the Cauchy problem related to the Helmholtz equation through a Genetic Algorithm**”

with Authors: **Chakir** **Tajani**

I would like to thank all the reviewers for their thoughtful comments and efforts towards improving our manuscript. We revised the manuscript with special attention to the comments that we received from **Three (3)** reviewers that were experts, specialists in the area of my paper. I also declare, I confirm, I certify and I sign that this paper or an important part of the paper has not been published other Journal (inside or outside WSEAS) Conference Proceedings (inside or outside WSEAS), Book (inside or outside WSEAS), University Repository etc). In case of violation of the above terms, WSEAS can reject any unpublished paper or even retract any published paper.

I am truly impressed by the level of professionalism and efficiency demonstrated by WSEAS Journals in their review and publication process for scientific articles. Upon submitting a mathematical article related to inverses problems, I received consistent updates from the editor regarding the progress of my submission, and my inquiries were promptly addressed. The feedback provided by three reviewers was not only respectful but also immensely valuable, aiding us in highlighting the technical innovation of our publication. Based on these experiences, I enthusiastically endorse the WSEAS Transactions on Mathematics journal to all researchers keen on sharing their academic work.
